Employee Onboarding

Going Beyond the Basics of Onboarding

When it comes to professional organizations, that first step is the on-boarding process. With Illumeo, you can combine the all-employee information coming from HR with courses created for individual functions.

No challenge is greater than building a cohesive, winning workforce culture. Use Illumeo to ensure every colleague gets off on the right foot.

Illumeo combines a massive course library that brings deep functional training, custom courses built by the company, and the ability to quickly and easily create onboarding curricula for any and every position you hire.

Dashboards and automated reporting keep both the employee and their manager on top of learning and in sync.

Human Resources gets unparalleled visibility and control, making them more effective and valuable. Illumeo - simple, fast, affordable.

Illumeo

The leading online provider of *Expertise Management* solutions, Illumeo helps corporate professionals and organizations work together to build the skills and capabilities that help everyone be an expert at their job.
